

GB Vets Golf Day - Surbiton - 8 September 2025

Earlier this year eleven members of the club assembled at Surbiton Golf Club for the tenth playing of the GB Vets Golf Day. A smaller turnout than usual but the golfers who played were treated to fine weather and a course in excellent condition. Mrs Belle was a non-playing guest and enjoyed herself driving a buggy and taking some action photos.

There was a near clean sweep of the prizes with Dillwyn Rosser winning the event with a dodgy handicap. John Petruschke was runner up. Dillwyn also won Nearest the Pin and Longest Drive prizes with John getting Nearest the Pin in two. Chris Howes took home the Ladies prize.

As Dillwyn and his wife Gitti were guests of Chris and I there was no shortage of wine that evening.

The date for next year is Monday 28th September, with a 1.00 start. This will be the day following Surbiton GC's KO finals day so the course will be in prime condition.

Hopefully more of you will be able to attend next year.

Geoff Howes
